

**RE: DIVORCE/CUSTODY/PATERNITY CASE /GUARDIANSHIP CASES**

**11/12/2021**

**Greetings,**

We have been asked by the Court to be assigned to your divorce/custody/paternity case.

Your attorney or the Judge has asked us to seek out all the facts in order to find what would be the best possible resolution for your child/children.

The Court requires a payment of 300.00 to CASA (Court Appointed Special Advocates) for this service. The charge is for administrative costs for the program. The fee is typically split between the two parties with each paying one half of the administrative fee. (150.00)

**\*It should be noted that the amount due is determined by the Court.**

CASA volunteers receive no payment. The purpose is to seek out what would be in the child's best interest.

Payment is due within 10 days unless otherwise stated in your Court Order.

**Payment must be a check or money order. We are unable to process cash or credit card.**

We ask that you return the questionnaire as soon as possible.

Thank you,
